

Please call the Security Council/Media/ Canadian politicians to act immediately. Please remind them of the genocidal war facing the 160,000 civilians in the safety zone and plead with them to act immediately.

You can also find contact information for the various political leaders from various countries on the CanadianHART's website at <http://www.haltgenocide.org/resources.html>. So, please call, email, or fax these people and urge immediate action.

Please act to save lives!
